launch of our new donation pages...

We are excited to announce the transition to our new donation platform, GiveLively. This platform allows us to easily set up various campaign landing pages, supplies engagement for peer-to-peer fundraising, and allows us to receive text-to-give donations.

To text-to-give, simply text the code "HFHK" to 44-321

This new platform makes it simple and convenient for you to set up automatic recurring donations. Click [HERE](#) to check it out!

launch of our new website...

Due to the COVID-19 pandemic, we have been unable to continue with volunteers at our home build sites and carry on as usual. To make the most of this unfortunate crisis, we decided to use this time to implement our new donation platform, as well as create an entirely new website!

We are proud of the new site and hope that you find it easy to use, effective, and full of useful resources. We encourage you to check out our new layout, still at the same address:
