## Kenosha ReStore...

You may be hearing rumblings about a ReStore opening here in Kenosha and we are excited to announce that we are in the planning stages of opening the doors! Habitat ReStores are nonprofit home improvement stores and donation centers. However, Habitat ReStores are more than just resell stores. The purpose of Habitat ReStores is to contribute to the work of Habitat for Humanity. When you support your local ReStore by shopping, donating or volunteering, you are not only supporting your local community, you're also helping the mission to provide decent shelter to everyone around the world.
