## online auction fundraiser ...

During the first week of December, we will be hosting an online auction fundraiser called, “Bid to Build”. All funds raised from this event will go directly to help open the doors of the Kenosha ReStore. As we prepare for this event, we are asking community members to reach out to us if you would like to donate an item, gift card, or service that you think would be a high dollar item. Companies and organization are also welcome to donate.
