women build 2024

6 build days, 12 teams, 150 women, \$35,000 goal

During Women Build Week, women will work together through to raise funds and build homes with Habitat for Humanity of Kenosha. Women Build is a truly unique and exciting opportunity for women in our community to come together, no matter their skill level, and roll up their sleeves to promote positive women-led impact.

Women Build Week 2024 will take place Monday, August 5th through Saturday, August 10th

impact in Kenosha

Habitat for Humanity of Kenosha was founded in 2012 by community members that shared a vision to revitalize Kenosha's neighborhoods and help hardworking, low-income families achieve a dream of homeownership. Since we started building in 2014, we have completed 3 rehabs and 16 new builds. We are currently working on two new builds located at on 35th Avenue and breaking ground on 3 more houses in 2024, in the Wilson Heights neighborhood.
